**MAYHILL AGENCY, LLC**  
**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2018**

**Note 1 - Organization:**

The Company is a single member limited liability company organized on October 25, 2002. There were no transactions until December 23, 2003 when the company assumed the business activities and all assets and liabilities of Mayhill Agency, Inc., effective January 1, 2004. By virtue of this transaction, the FINRA has ruled the firm's business activity Mayhill Agency, Inc. will remain unchanged and constitutes a succession of the Company.

On March 31, 2014, the former member of Mayhill Agency, LLC sold its interest to a new member in accordance with rules and regulations of FINRA.

The Company is a broker dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA").

**Note 2 – Summary of Significant Accounting Policies:**

**Commissions:**

Commissions and related clearing expenses are recorded on a trade date basis as securities transactions occur.

**Revenue Recognition:**

Effective January 1, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contact(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

The Company has evaluated the new guidance and the adoption is not expected to have a significant impact on the Company's financial statements and a cumulative effect adjustment under the modified retrospective method of adoption will not be necessary.

**Income Taxes:**

As a limited liability company (LLC), the Company is not subject to income taxes. The individual member of the LLC is taxed on the Company's taxable income. Accordingly, no provision or liability for Federal or State income taxes is included in these financial statements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2018

**Note 2 – Summary of Significant Accounting Policies (continued):**

The Company has concluded that it is a pass-through entity and there are no uncertain tax positions that would require recognition in the financial statements. If the Company were to incur an income tax liability from an uncertain tax position in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax liability would be reported as income taxes. The Company's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analyses of tax laws, regulations and interpretations thereof as well as other factors. Generally, Federal, state and local authorities may examine the Company's tax returns for three years from the date of filing.

**Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those amounts.

**Fair Value Measurement:**

ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access..
- Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.

As of December 31, 2018, the Company's fair value hierarchy consisted of level 1 inputs of cash in the amount of \$39,509.

**MAYHILL AGENCY, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2018**

**NOTE 2 – Summary of Significant Accounting Policies (continued):**

**Recent Accounting Pronouncements:**

A variety of proposed or otherwise potential accounting standards are currently under study by standard setting organizations and various regulatory agencies. Due to the tentative and preliminary nature of those proposed standards, management has not determined whether implementation of such proposed standards would be material to the financial statements of the Company.

**Note 3- Related Party Transactions:**

On or about April 1, 2017, the Company entered into a new lease agreement for its office space located in West Long Branch, New Jersey. The building is owned by a company in which one of the owners is related to the member of Mayhill. The lease is for a one-year period, which commenced April 1, 2018 and expires on March 31, 2019. The lease calls for monthly rent in the amount of \$350 and can be terminated only by agreement of both parties. All utilities with the exception of the phone are included in the lease.

Future minimum rental commitments for the year ending December 31 are as follows:

2019	\$1,050
------	---------

Rent and occupancy expense for the year ended December 31, 2018 was \$4,200.

**Note 4 – Exemption from Rule 15c3-3:**

The Company is exempt from Rule 15c3-3 based on paragraph (k)(1) as it does not maintain customer's accounts and operates on a fully disclosed basis.

**Note 5- Net Capital Requirements:**

The Company as a member of FINRA, is subject to the SEC Uniform Net Capital Rule 15c-3-1. This rule requires a maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1, and that equity may not be withdrawn if the resulting net capital would exceed 10 to 1. The Company has elected to use the basic method permitted by the rules, which require the Company to maintain minimum net capital equal to the greater of \$5,000 or 6 2/3 % of aggregate indebtedness (as defined). As of December 31, 2018, the Company's regulatory net capital was \$38,181 which was \$33,181 in excess of its minimum requirement of \$5,000 under SEC Rule 15-c-3-1.

**Note 6 – Subsequent Events:**

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through February 25, 2019, the date the financial statements were available to be issued.

of Mayhill Agency, LLC

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Mayhill Agency, LLC's compliance with the exemption provisions.
